SAFE, SIMPLE OPERATION

Easy Operation

Move stairlift up and down with paddle armrest control. Two wireless remotes also included.

Swivel Exit

Swivel seat up to 90° at top landing for safe exit away from stairs. Seat belt and obstruction sensors further safety.

SLEEK RAIL DESIGN

Slim Rail

Gains maximum open space on steps due to narrow rail design. Fold Elan's seat, arms and footrest to save additional space when not in use.

Covered Gear Rack

Reduces exposure to grease, gives a clean appearance and avoids pinch-points for children and pets.

POWERFUL OPTIONS

Power Footrest

Fold the seat, and the footrest will automatically fold. Ideal for those with back problems or inability to lean over.

Power Swivel

Push an armrest control to swivel seat to exit. Good for people without dexterity to lift seat lever or ability to guide swivel action with feet.

Power or Manual Folding Rail

Fold the bottom rail section to avoid creating an obstruction when nearby doorway or narrow hall.

PEACE-OF-MIND DEPENDABILITY

Continuous Charge

Gain assurance of battery-powered performance that operates even during a power outage. Stairlift continuously charges anywhere it stops on rail.

Limited Lifetime Warranty

Superior engineering backed by the industry's most comprehensive warranty.
